

The Games In a Nut Shell:

Employee motivation, recognition, rewards, retention...In today's business climate, it is imperative to reward those employees who make your company work.

Who We Are...

We are the Corporate Games bringing together companies of all sizes to compete in a collection of over 30 events ranging from Softball to Mini Golf. Although the goal is to win the coveted Corporate Cup, it is the journey through participation that brings teamwork, morale, camaraderie and company pride to the forefront.

The Corporate Games connects over 50 Company teams with an estimated 20,000 employees, 4500 participants as well as reaching extended family and friends.

What We Do...

Tournaments, Games and Events. We provide opportunity for everyone in your company to contribute to the team's success. From the Wellness Walk to a soccer team, involving as many employees as possible is the goal of the Corporate Games.

Why We Do It...

The Corporate Games are designed to enhance the quality of life of the citizens of the Salt Lake Valley. We are committed to carrying out the long standing traditions of:

- Promoting wellness and recreation.
- Facilitating company interaction though the competitive spirit.
- Encouraging total company involvement through a diverse field of sport and activity.

Most importantly, we do it because it's fun.

Our Events—Something for Everyone...

The games kick off with a tradeshow event, giving teams the opportunity to meet the competition and show their company pride.

Choose your events: The size of your company determines how many events you will compete in. Your company can choose from a wide range of sporting events.

Participating companies are also invited to join in the bonus events: Blood Drive, City Chase, Executive Challenge, Mystery Event, Scavenger Hunt, Showcase Showdown and the Wellness Walk.

All teams are encouraged to provide volunteers throughout the games. Volunteers are vital to the games smooth operation.

In the simplest terms:

Corporate Games	=	The Olympics
Companies	=	Countries
Employees	=	Athletes, Volunteers & Spectators

It's no secret: workplaces that encourage regular physical activity report:

- ◆ Increased productivity and morale
- ◆ Reduced injury rates
- ◆ Better employee relations and internal customer service
- ◆ Improved job satisfaction and team spirit
- ◆ Improved employee health and fitness
